Ex post evaluation RDPs 2007-2013

Managing Authorities must send the ex-post evaluation report of 2007-2013 Rural Development Programmes (RDPs) to the European Commission by 31 December 2016.

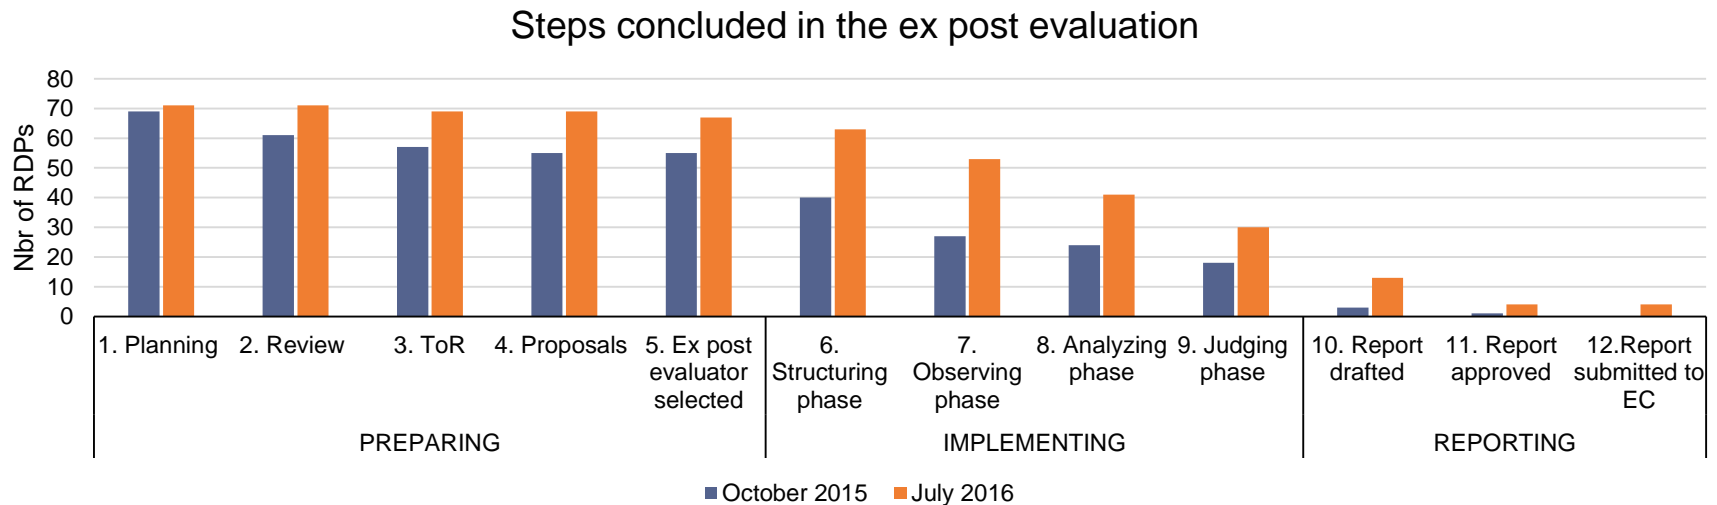

[Article 86(5) of Regulation 1698/2005, as amended by Article 18(1) of Regulation 807/2014]

As a follow-up to a similar exercise carried out in October 2015, during the Summer 2016 the Evaluation Helpdesk has conducted a survey to find out at which stage (preparation, implementation, reporting) the RDPs' ex post evaluations were at the end of July 2016.

Findings of the survey – situation at the end of July 2016

The responses covered 71 **RDPs** from **28 Member States**.

- **94% RDPs** covered by the survey had **finished the preparation phase**.
- Within the **implementation phase** most RDPs had just **concluded the observing phase** and around **half of the 71 RDPs** covered by the survey were **observing and analysing the information**.
- **Four programmes** had **concluded the reporting phase** (BE-VL, FI, IT-Toscana and IT-Bolzano).
