

Generational renewal in evaluation plans

European Evaluation Helpdesk for the CAP

Evaluation planning (examples)

- LUX, LV, SE include a logical framework on how to assess GR
- Evaluations in CY will include topics such as young farmers: age restructuring of agricultural population
- CZ links GR to competitiveness through a logical framework for the evaluation
- DK will assess GR and local development
- ES thematic evaluation on GR, estimated topics: access to land, professional qualifications and mentoring, access to credit and taxation

- Most evaluations 2026-2028
