Irregularity 21-22	<p><i>As described in the Control Guidelines, the Controller's task in handling irregularities is to report to the suspected irregularity to the responsible national body. In case irregularity is suspected during the on the spot check by the Controller, it has to be reported at points 21-22.</i></p>
Signature	<p><i>The declaration has to be signed by the authorised representative of the Organisation/Controller. The names of the persons entitled to sign the declaration have to be communicated to the JTS by the Designated Controller at Member State level before the submission of the first Application for Reimbursement.</i></p>

<b>Annex “A”</b>	<b>The controller reports in details on the findings of the desk based checks and the findings of the on the spot checks.</b>
<b>Fields to be filled in</b>	<b>Instructions</b>
I. Desk based check	<i>Desk based checks has to be carried out for each reporting period, but this part has to be filled in only in case of deductions had been made due to ineligible expenditure in the list of expenditure declared by the LP/PP for the given reporting period.</i>
Amount of ineligible expenditure deducted by the Controller and short explanation:	<i>In case ineligible expenditure is found by the Controller during the verification, the sum of the deducted amounts at the list of expenditure in the Annex “C” has to be given in this field. In case of several items were deducted due to different reasons, the deductions shall be explained.</i>  <i>e.g. wrong calculation of staff costs WP1, expenditure not related to the project WP3, BL 4, no. 15, 19, 20-25., etc.</i>  <i>If, no deductions were made, please insert “No ineligible expenditure found”.</i>
II. On-the-spot check	<i>This part has to be filled only if relevant for the given reporting period. i.e. in case the answer given for the point 16 in the declaration form is “no”, this part remains empty.</i>  <i>If the answer is “yes” for the point 16, it is obligatory to fill in this part.</i>
Number, date and place of on-the-spot checks performed in the period covered by the present declaration on validation of expenditure:	<i>In case more than one on the spot check were carried out in the given period, please list each of them.</i>
Main findings of on-the-spot check(s) in the period covered by the present declaration on validation of expenditure:	<i>Shortly explain the results of the on the spot check and main findings, and deficiencies if found.</i>
In case of deficiencies discovered by the Controller in the course of on-the-spot check, the following measures were taken by the Lead Partner / Project Partner in order to ensure compliance with the subsidy contract and the applicable Community and national rules.	<i>If deficiencies were found, explain case by case the measures taken by the LP/PP in order to comply with the subsidy contract and the applicable Community and national rules.</i>  <i>If the deficiencies are not solved by the LP/PP, explain the further steps of the Controller.</i>
Type of (documentary) evidence of on-the-spot check(s) performed:	<i>List the documents produced related to the on the spot check, e.g. on the spot check report/minutes, checklist, letter to the LP/PP, etc.</i>

<b>Annex “B”</b>	<b>The controller summarizes the total amount of eligible expenditure validated and covered by the given declaration by Work Packages (WP) and by Budget Lines (BL), the total amount of eligible expenditure related to special types of expenditure (common costs, in kind contribution, 10% and 20% flexibility rules), and the revenues to be deducted from the total amount of eligible expenditure.</b>
<b>Fields to be filled in</b>	<b>Instructions</b>
I. Total amount of eligible expenditure validated and covered by the present declaration belong to the following Work Packages (WP) and Budget Lines as follows:	<p><i>Use the electronic version of the Partner Report, from 7.0 to 7.10 Invoices (same sections as the project partner), and fill in only the column reserved for the Controller's: “Ineligible expenditure deducted by the Controller EUR”. The column “Eligible expenditure validated by the Controller EUR” is calculated automatically.</i></p> <p><i>The Section “Annex B Declaration” of the Partner Report summarizes automatically the financial data of the columns “Eligible expenditure validated by the Controller EUR” of the list of invoices.</i></p> <p><i>Due to possible deductions by the Controller, the Section 7. “Summary of expenditure” of the Partner Report which contains the amounts reported by the project partner and the Section “Annex B” of the declaration can be different. The project partner is not requested to resubmit the Partner Report according to the deductions. The validated expenditure has to be reported and summarized in the next Partner Report in Section 5. Financial Part, in “previously validated” columns.</i></p>
II. Total amount of eligible expenditure validated and covered by the present declaration covers the following special types of expenditure:	<p><i>The Section “Annex B Declaration” of the Partner Report summarizes automatically the financial data of the columns “Eligible expenditure validated by the Controller EUR” of the list of invoices.</i></p> <p><i>In order to have the adequate data, the special type of expenditure has to be selected at the last column of the list of invoices by the project partner (i.e. Common Costs (CC), in kind contribution, (KC), 10% (X), 20% (Y))</i></p> <p><i>Due to possible deductions by the Controller, the Section 6. “Special types of expenditure” of the Partner Report which contains the amounts reported by the project partner and the Section “Annex B” of the declaration can be different. The project partner shall not be necessarily requested to resubmit the Partner Report according to the deductions. The validated expenditure has to be reported and summarized in the next partner report in Section 6. Special types of expenditure, in “previously validated” columns.</i></p>
III. Revenues to be deducted from the total amount of eligible expenditure of the current period:	<p><i>Use the electronic version of the Partner Report, Section 8 “Revenues” (same sections as the project partner), and fill in only the column reserved for the Controller's: “Total amount of net revenues validated by the Controller EUR”. Fill in each rows, inserting the correct amount of net revenue. The Section “Annex B Declaration” of the Partner Report summarizes automatically the financial data from Section 8.</i></p>

<b>Annex “C”</b>	<b>Annex C has to contain the full list of expenditure submitted by the Project Partner for verification by Work Packages (WP) and by Budget Lines (BL).</b>
<b>Fields to be filled in</b>	<b>Instructions</b>
<p><i>The Section 7.0 – 7.10 Invoices has to be filled in by the Project Partners as part of the Partner Report, except the columns “Ineligible expenditure deducted by the Controller EUR” and “Eligible expenditure validated by the Controller EUR” (i.e. light blue columns)</i></p> <p><i>After the verification process, the Annex “C” of the Declaration on validation of expenditure has to be printed by the Controller directly from the Partner Report Section 7.0 – 7.10 Invoices and Section 8. Revenues. Deductions made by the Controller have to be summarized and reported by the Controller in the Annex “A” (I. Desk Based Checks) of the Declaration on validation of expenditure, therefore the Annex “C” of the Declaration on validation of expenditure has to present each reported item and deduction. The Partner Report signed by the Project Partner and the Declaration on validation of expenditure issued and signed by the Controller can be different only due to deductions of ineligible expenditure by the Controller. All other necessary corrections have to be made by the Project Partner by resubmitting the corrected and signed Partner Report.</i></p>	
<b>I. List of invoices</b>	
No.	<i>Please number each item listed. It is possible to add or delete rows as necessary</i>
Invoice No./ Documents of equivalent probative value ID	<i>Insert the invoice number or ID (reference) of the document of equivalent probative value according to the original document</i>
Name of the service provider issuing the invoice	<i>Insert the name of the body or person issuing the invoice exactly as it is written on the invoice</i>
Description of the expenditure	<i>Describe the type/subject of the expenditure in English according to the invoice/accounting document. In case it is required at national level, the description of expenditure shall be given both in national language and English e.g. catering, rental fee of meeting room</i>
Activity fulfilled according to the approved AF	<i>Give short reference to the activity fulfilled according to the approved application form to which the expenditure is related e.g. organisation of project event</i>
Issued on dd/md/yyyy	<i>Insert the date of issuing the invoice/ date of the accounting document</i>
Paid on dd/mm/yyyy	<i>Insert the date of payment of the expenditure according to the proof of payment (e.g. bank statement)</i>
Total amount in original currency	<i>Insert the total <b>gross</b> amount indicated on the invoice in original currency.</i> <i>Costs incurred in EUR as original currency has to be also listed.</i>

Reported expenditure in original currency	<p><i>Insert the amount reported as project expenditure of the total amount in original currency included costs incurred in EUR as original currency.</i></p> <p><i>The reported expenditure shall be inserted according to the VAT status of the Project Partner. i.e. in case the PP can reclaim VAT, the reported amount shall not include the VAT. (see example!)</i></p>
Currency	<i>Insert the abbreviation of the original currency in which the expenditure incurred, e.g. EUR, RSD, ALL, HUF, etc. according to international standards</i>
Exchange rate	<i>Insert the monthly accounting exchange rate of the Commission in force in the last month of the reporting period for each currency other than Euro. In case the original currency is Euro, please insert "1".</i>
Reported expenditure EUR	<i>The "Reported expenditure in original currency" is exchanged to EUR automatically, therefore it is obligatory to fill in the fields "Reported expenditure in original currency" and "Exchange rate".</i>
Ineligible expenditure deducted by the Controller EUR	<i>The project partners have to leave empty this field, as it has to be filled in by the Controllers. As all ineligible expenditure have to be reported by the Controllers in the Declaration on validation of expenditure, the Controllers shall use this column to indicate the amount of ineligible expenditure deducted. In case no deductions were made by the Controllers, it is requested to insert zero "0".</i>
Eligible expenditure validated by the Controller EUR	<i>The project partners have to leave empty this field, as this field is automatically calculated on the basis of the "Reported expenditure EUR" and the "Ineligible expenditure deducted by the Controller EUR. The Controller has to fill in always the column "Ineligible expenditure deducted by the Controller EUR" even if no deductions were made by the Controllers i.e. it is requested to insert zero "0".</i>
Common cost (CC) in kind contribution (KC) 10% (X) 20% (Y)	<i>In case the expenditure reported is considered as a special type of expenditure, the type has to be selected by the project partner at this column (i.e. Common Costs (CC), in kind contribution, (KC), 10% (X), 20% (Y)). It is important to fill in carefully this column as well, as the expenditure categorized according to the above types of expenditure will be summarized automatically in the Section 6. Special types of expenditure of the Partner Report, and in the Declaration on validation of expenditure Annex "B". In case this column is not filled in correctly, the information will be misleading, and the Controllers have to request completion of the Partner Report by the project partner.</i>
