

Guidelines for the ex-ante evaluation: The process

Background

ExCo members identified preparation of guidelines for the ex-ante evaluation as a priority task for 2012

→ included in Helpdesk 2012 AWP

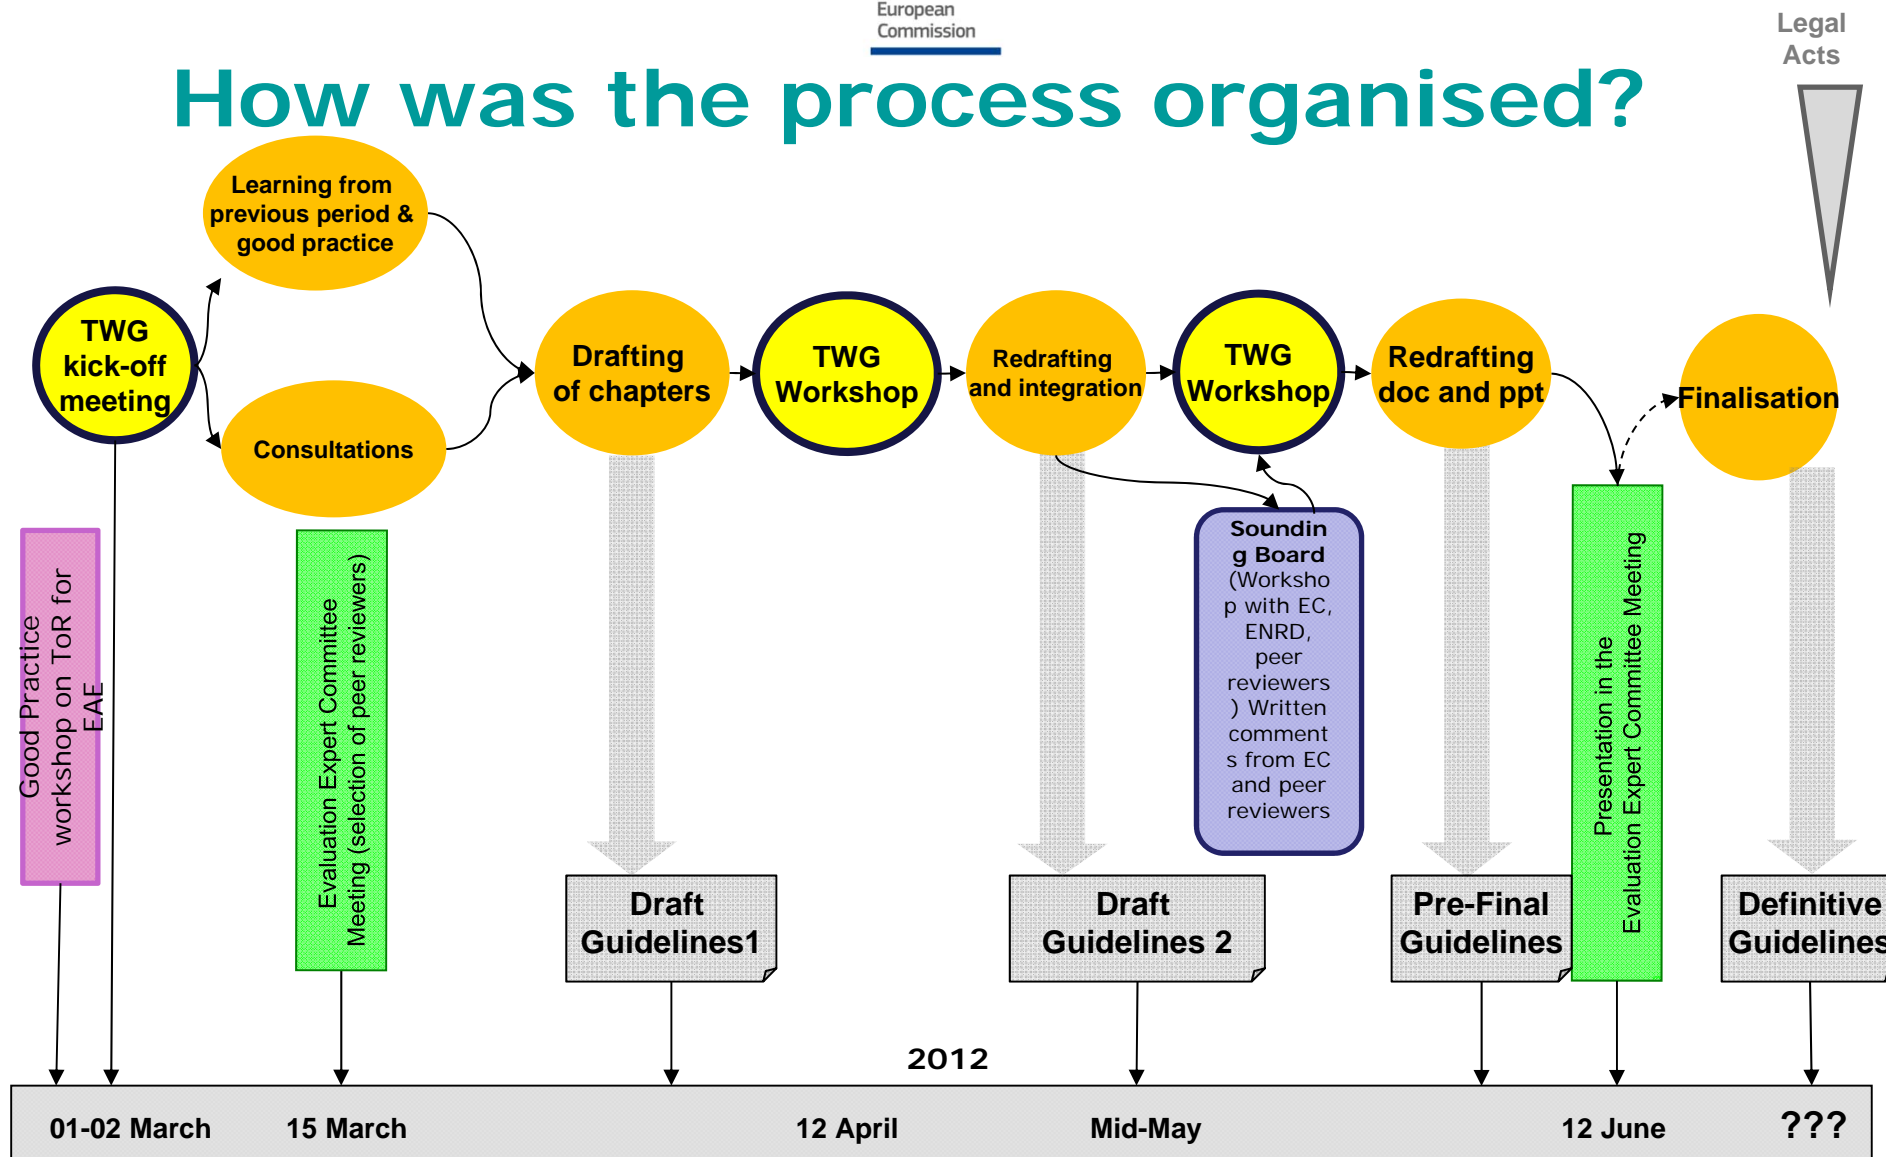

→ to be developed through a TWG

European Commission

How was the process organised?

Who drafted the guidelines?

Current status of the document

Work in progress!

Revised following Vienna sounding board meeting

Ready for additional feedback

Chapters 1-4: Mainly for Managing Authorities

- Relatively advanced: aiming for clear, short text

Chapter 5/Toolbox

- More technical: editing, checking, referencing

Full text to be revised following comments (ExCo, other Comm services)

Objectives of today's discussion

Present outline of guidelines

- Sharing and understanding

=> Focus on « Mainly for Managing Authorities » sections

Collect feedback

- 1. In meeting
- 2. written comments

To inform next revision (leading to guidelines in useable form)

What will happen next?

- MS can send written comments (by 30th June)
- Ongoing technical revision
- MS comments addressed
- Revised draft available 2nd half July
- (guidelines in useable form)
- Formal finalisation after adoption of legal acts
