Vision for Year 6

- An inventory/stocktaking of what we did, what we have and what needs are there
- Consolidating the LEADER portfolio of tools, activities and products

Consolidating the LEADER Toolkit

- Development of a new section on the LEADER Toolkit on LEADER programming (based on outcomes of 3rd LEADER event)
- Develop new content on LAG self-evaluation based primarily on FG4 findings
- Consolidation of the LEADER Toolkit with coverage of the 3 main processes – Design, Development and Delivery.

Consolidation of LEADER web-based Tools

- Enhance the **quality** of the LAG database and LAG Map
- Identify, collect and upload new LEADER based projects for the RDP projects database
- Enhance the “*Communicating Rural Development Gateway*” with further LEADER based examples

LEADER based activities

- Provisionally 2 LEADER Sub-Committee (LSC) meetings with the first planned for Nov 2013
- Possibility of one enlarged LSC meeting to involve LAGs.
- Support provided for LEADER-based initiatives organised by LAGs, NRNs, MAs, etc
- Targeted support to assist LAGs in pre-accession/candidate countries

LEADER Cooperation

- Continuous updating of TNC database including SFC TNC notifications
- Undertake a survey and draft report on state of play of Measure 421. (inter-territorial & trans-national) to map activities by type, scope, budget, etc.
- Mapping of evaluation initiatives of TNC projects – sourcing of methods, criteria, results

ENRD Celebration Event

- A space for reflection on work done in 2008-2013
- A fair to celebrate the networking spirit, achievements of the Network and its stakeholders
- Successful projects / experiences / practices

ENRD year 6

What information we need to consolidate the tools?

- An effort by ALL NRNs and LAGs to update or complete their LAG profiles
- Exchange of information by MSs working on LAG self-evaluation
- Evaluation of TNC projects – who and how are you doing it? What are the results?

What can still be useful activities for Year 6?

- What needs or expectations?
- Other ideas?
