Fonte: nostre elaborazioni su dati SINAB

Totale superficie biologica Italia 2.186.570 ha (17% SAU)

Dimensione media aziendale quasi 29 ha (contro una media di 11 ha)

Ratio of standard output (SO) in Euro per annual work unit (AWU) for holdings with ONLY organic area and NON-organic area by size class, EU-27, 2016

(SO in Euro per AWU of farm labour force)

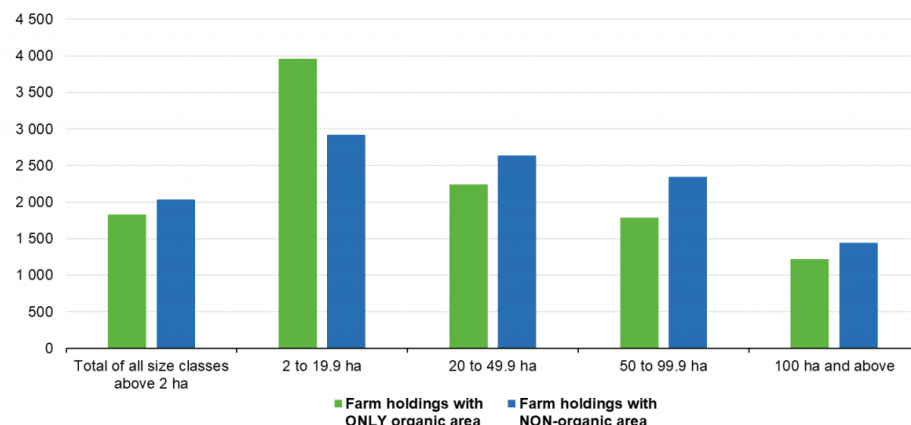

Note: Kitchen gardens are excluded from the UAA. Only farm holdings with a UAA above 2 ha are included, in order to have comparable holding sizes between organic and non-organic holdings.
