# Leader in France

territoires

223 LAGS IN FRANCE (in 26 REGIONS) !

## Leader cooperation in France : how does it work ? (1/2)

- Cooperation is not an obligation in France
- Each French LAG has funds dedicated to cooperation
- Cooperation projects are selected by LAGs themselves
- 2 types of cooperation : Transnational and Interterritorial
- Transnational cooperation is possible with all the countries

## Leader cooperation in France : how does it work? (2/2)

- A special procedure « From idea to project » to finance the first meeting of the French LAG with his potential partner(s) (max : 6000 euros)
- Cooperation in France : state of progress
  - 48 « from idea to project » (preparatory step for transnational cooperation)
  - 37 transnational projects approved
  - 27 interterritorial projects approved
