La Cittadella del Sapere

ABOUT US

The GAL La Cittadella del Sapere Srl is a local development agency. It promotes a sustainable rural development through the implementation of Local Development Strategy (LDS) co-designed with local public and private stakeholders (bottom-up approach pursuant to the Art. 42, Reg. (UE) 1305/2013), on behalf of 27 rural small villages (around 70.000 inhabitants) located in Basilicata Region that are suffering for a strong depopulation due to the few opportunities of employment for young people

The LDS includes projects and actions in the field of: training, social inclusion, agrifarm competitiveness, tourism, research and innovation, culture and territorial marketing (event through audio-video productions).

Moreover, the GAL La Cittadella del Sapere Srl plays a key role in the frame of relevant european and national networks, like:

- ELARD (European Leader Association for Rural Development) which involves more than 2500 Local Action Groups across Europe;
- LINC (Leader Inspired Network Community) which is a big european platform set up in 2009 in order to facilitate exchange ideas on thematic issues and methodologies for local development;

LEADER NETWORK BASILICATA - ELARD

From November 2017 we are the Italian contact point of Elard. This new network will be implemented first on a region level and then on a national level.
