LAG Viisari

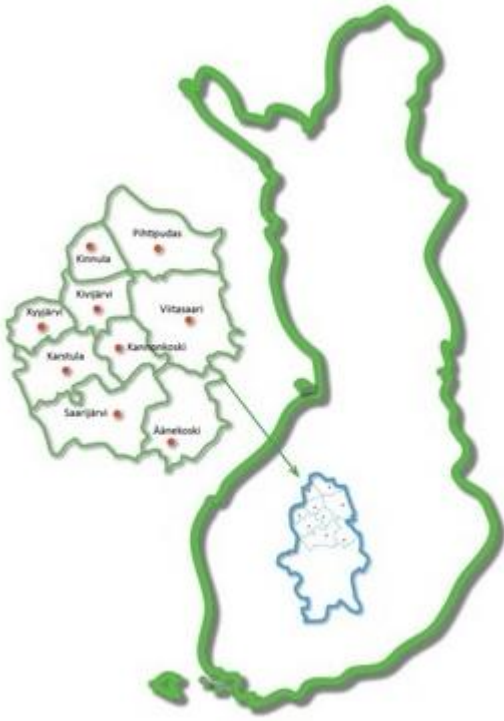

Rome, 4th of April 2019

mipaft
ministero delle politiche agricole
alimentari, forestali e del turismo

Map for localization of the LAG

- The operating area of LAG Viisari was home to approximately 40 000 people.
- 9 municipalities
- The operating area is mainly sparsely populated countryside with less than 5 residents per km².
- Natural resources – forests, mires, fields and waterways – are essential resources of the area.
- The strongpoints of business activities are small, active companies and hard-working entrepreneurs.
- Business activities are based especially on bioenergy, small-scale industry, tourism and services, but agriculture and forestry are also very important.
