LAG TERREVERDI TERAMANE

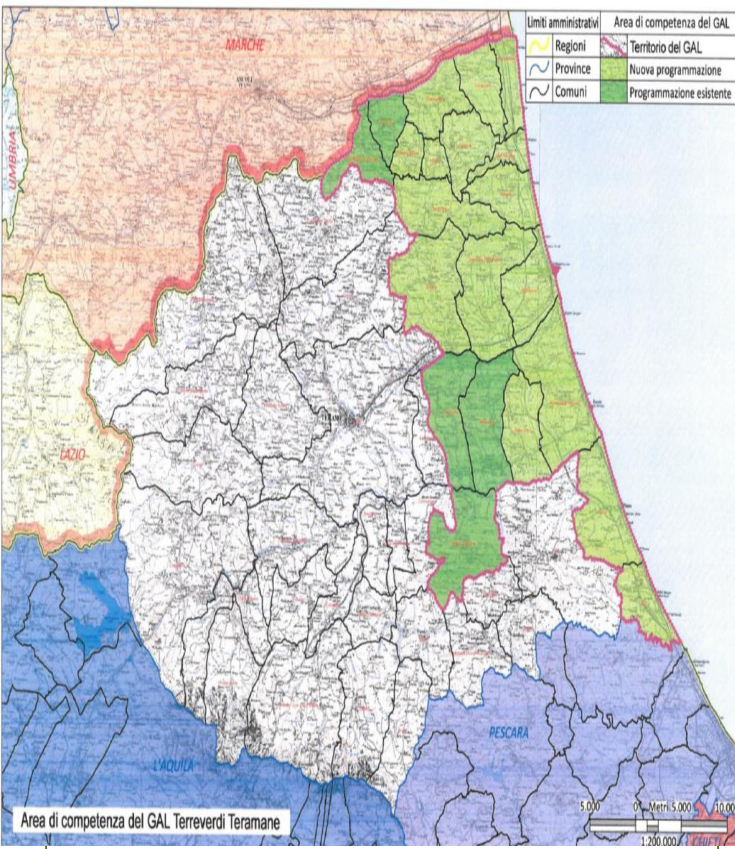

Rome, 4th of April 2019

Description of the territory

- 21 municipalities
- 143 thousand inhabitants
- 569 kmq (251 inhabitants /kmq)
- Protected sea area (Torre del Cerrano)
- Regional reserve (Calanchi di Atri)
- First LAG in the area funded in 2018

Description of the strategy

- **Objective of the strategy** “Together for a growing quality area”

The strategic goal is the creation of business networks and the development of a culture of doing system

- **Themes:**

Development and innovation of supply chains and local production systems

Sustainable tourism

Description of LEADER cooperation

Brief description of the cooperation strategy (thematic areas of interest)

- Development and innovation of supply chains and local production systems (agro-food, artisanal and manufacturing, fish production)
- Sustainable tourism
- Valorisation of cultural heritage and artistic heritage linked to the territory

Brief description of the project ideas:

- Relate, implement exchanges and transfer of experiences between local farmers' markets or zero kilometer and other significant experiences in Italy and Europe
- Improve the knowledge of the territory and of the excellent food products
- Creating the conditions to promote its value through the use of professionalism, "know-how" and training potential
