

Implementation of the cooperation measure

Focus Group 3

Suggested Approach and Next Steps

Dieter Wagner

Contact Point of the European Network for Rural Development

Focus Group 3 Meeting, Estonia, 16 February 2010

2nd Meeting of Focus Group 3 Suggested Approach

- On the basis of FG members' contributions, workshop investigation of main issues:
 - to what extent do these issues establish real problems in the setting-up and implementation of TNC projects?
 - are there other bottlenecks which have not yet been pointed out?
- Specific workshop task:
 - identify relevant practices and collection of first ideas for approaches to solutions
 - classify first ideas in terms of feasibility (short-/long-term) and impact (practicability)
- Next steps to be agreed during wrap-up session

2nd Meeting of Focus Group 3 Suggested Next Steps

- Preparations for next FG meeting
 - agree on classification/prioritisation of established ideas for each of the identified issues (during 2nd meeting wrap-up session)
 - develop further the ideas for approaches and solutions
 - 3rd meeting (web conference, 08 March 2010)
 - presentation of further developed ideas for approaches and solutions
 - other FG members provide their feedback after web meeting
 - 4th meeting (Finland, 29-30 March 2010)
 - presentation of draft solutions for workshop discussion and finalisation
 - agreement on above and positioning for reporting to LSC
