

SCAR SWG AKIS 4 - 4th Meeting
Bratislava, 27-28th March 2017

The SCAR SWG AKIS4 meeting in Bratislava will be the fourth of the meetings proposed for the development of the mandate endorsed by the SCAR plenary in December 2015. This meeting will look to develop following topics identified in the mandate:

- 2. Learning and feedback from interactive projects approaches - presentations from :
 - a. **HENOVATION** project
 - b. **AGRISPIN** project
 - c. **OK ARABLE NET** project
 - d. **TREASURE** project

- 3. Better address the knowledge flows along the whole production/value/supply chain

- 6. Monitoring interactive innovation policies and benchmarking for sustainability

Finally, this meeting will be again an opportunity to carry on the **widening objective** by having on board representatives from most of the EU member states
