 European Commission

 European Network for  
Rural Development

- Scambi tra I valutatori dei diversi stati membri
- Soluzioni e insegnamenti dall'esperienza di campo

# Activity: Informazione e diffusione

<http://enrd.ec.europa.eu/evaluation/>

# evaluationWORKS!...

The annual forum for

- Information EXCHANGE and LEARNING for all stakeholders involved in RDP evaluation
- DISCUSSION on challenging topics in order to strengthen capacity of all participants
- SHARING the outcomes of the discussions with stakeholders in the Member States and the EU

# evaluationWORKS!...Basic rules

- **Topics** identified by stakeholders in Member States
- **Flexibility** in workshop content and format
- **Organized** in collaboration with Member States
- **Material** prepared by Helpdesk and adapted to needs!
- **Feedback to EU level**  $\leftrightarrow$  mutual learning!

# Three topics identified for 2015

## Module A: The CMES

- Purpose and use of CMES
- CMES elements and their links
- Difference CMES and CMEF
- What's new?

## Module C: Evaluation of Leader/CLLD/LDS

- EC requirements on evaluation of Leader
- Role of actors in supporting evaluation at RDP/LAG-level
- Specificities of LEADER evaluation at RDP/LAG-level

## Module B: Setting up the system to answer EQs

- Purpose of EQs & requirements
- When to answer which questions in 2017/2019
- How to set up the system to answer Eqs?

## Two more topics for transnational events

- Ex post evaluation of RDPs 2007-2013
- Evaluation of National Rural Networks
