O.24 Number of thematic and analytical exchanges set up with the support of NRN

Title and definition	Measures concerned	Source of data, timing of reporting
Number of thematic and analytical exchanges set up with the support of NRN by type	Networking	NRN reporting on an annual basis Reported when completed
This indicator counts the total number of thematic and analytical exchanges set up broken down by: - Nr of thematic working groups set up; - Nr of consultations (e.g. between MA and NRN stakeholders on programme modifications…); - Others (trainings, web forum…). Out of these total nr thematic and analytical exchanges set up, it is counted how many: - Are focused on sharing and disseminating M&E findings - Are devoted to advisors and/or innovation support services - Are devoted to LAG including support to cooperation		

O.25 Number of NRN communication tools

Title and definition	Measures concerned	Source of data, timing of reporting
Nr of NRN communication tools (by type)	Networking	NRN reporting on an annual basis Reported when completed
That indicator is broken down as following: - Total event organized (seminars, conference, field trips… - Nr of Publications: leaflets, newsletters, magazines... issued by the NRN including e-publications - Nr of other NRN communication tools used to communicate RDP to broader public (e.g. website, social media…) - Nr of projects examples collected and disseminated by NRN From project databases, nr of projects identifies, collected, documented and disseminated Out of these total Nr of events organized, publications and other communication tools, it is counted how many: - Are focused on sharing and disseminating M&E findings - Are devoted to advisors and/or innovation support services - Are devoted to LAG including support to cooperation		

O.26 Number of ENRD activities in which the NRN has participated

Title and definition	Measure concerned	Source of data, timing of reporting
Nr of ENRD activities in which the NRN has participated	Networking	NRN reporting on an annual basis Reported when completed
This indicator counts all ENRD activities in which the NRN has participated and out of those in which the NRN actively contributed (e.g. through presentations, facilitation of working groups, poster sessions, displays etc.).		

Common output indicator 24 - *Number of thematic and analytical exchanges set up with the support of NRN by type*

Nr of thematic working groups set up

- *focused on sharing and disseminating M&E findings*

- *devoted to advisors and/or innovation support services*

- *devoted to LAG including support to cooperation*

Common output indicator 24 - *Number of thematic and analytical exchanges set up with the support of NRN by type*

Nr of consultations (e.g. between MA and NRN stakeholders on programme modifications…)

- *focused on sharing and disseminating M&E findings*

- *devoted to advisors and/or innovation support services*

- *devoted to LAG including support to cooperation*

Common output indicator 24 - *Number of thematic and analytical exchanges set up with the support of NRN by type*

Others (trainings, web forum…)

- *focused on sharing and disseminating M&E findings*

- *devoted to advisors and/or innovation support services*

- *devoted to LAG including support to cooperation*

Common output indicator 25 - *Nr of NRN communication tools (by type)*

Total event organized (seminars, conference, field trips...)

- *focused on sharing and disseminating M&E findings*

- *devoted to advisors and/or innovation support services*

- *devoted to LAG including support to cooperation*

Common output indicator 25 - *Nr of NRN communication tools (by type)*

Nr of Publications: leaflets, newsletters, magazines... issued by the NRN including e-publications

- *focused on sharing and disseminating M&E findings*

- *devoted to advisors and/or innovation support services*

- *devoted to LAG including support to cooperation*

Common output indicator 25 - *Nr of NRN communication tools (by type)*

Nr of other NRN communication tools used to communicate RDP to broader public (e.g. website, social media…)

- *focused on sharing and disseminating M&E findings*

- *devoted to advisors and/or innovation support services*

- *devoted to LAG including support to cooperation*

<u>Common output indicator 25</u> - *Nr of NRN communication tools (by type)*

Nr of projects examples collected and disseminated by NRN from project databases, nr of projects identifies, collected, documented and disseminated

- *focused on sharing and disseminating M&E findings*

- *devoted to advisors and/or innovation support services*

- *devoted to LAG including support to cooperation*

Common output indicator 26

Nr of ENRD activities in which the NRN has participated
