**Statement by the Commission on rural development**

The Commission declares that it will cooperate constructively with the Member States in the preparation and approval of the new rural development programmes with a view to ensuring a smooth transition to the new programming period also for measures not covered by Article 1 of the Transitional Regulation.

The Commission encourages Member States which will use the possibility under Article 1 of the Transitional Regulation to undertake new legal commitments for irrigation operations to do so in compliance with the conditions set out for such operations in Article 46(3) of the new Rural Development Regulation for the programming period 2014-2020.
